My friend's name is John. He is tall and slim. He is a very active person. John plays basketball, football and tennis. He rides twelve kilometers on his bike every Saturday and he has time to do his homework and play with his friends. John is a very good student and friend. He plays basketball with his friends on the school playground every Friday. In summer he plays tennis with his father.

His favourite sport is football. He is the best player in our town. He practices football with the local team for four hours every Sunday. Last year he became the captain of his school team. I am sure that John will become a very successful football player. He is going to start training with Manchester United Academy next October. I believe that one day he will become the best player in the world.

Аудиотекст 2

We are going to spend Christmas with my aunt's family. My mum says that I'll enjoy it and that I'll meet my cousin Jane Smith there. I've never seen her but my mum often tells me about her. Jane is as old as I am – she is eleven. Her birthday is very soon – on New Year's Day.

Jane is British and she was born in Britain but then her family moved to America. Now they live in Washington.

I want to give Jane a disc of classical music as a birthday present. My mum says she loves music and plays the piano very well. Jane also loves animals and she takes a good care of her dog and her parrot. She wants to have a cat, too, but her Mum is against it.

Jane does very well at school. She likes Literature and History but her favourite subject is German.
